FOSHAN SONLAM HARDWARE FACTORY
FUZHOU SONLAM BUILDING MATERIALS CO.,LTD

SONLAM was established in 2005. We are a manufacturing enterprise specializing in the production and sales of building materials, including architectural hardware, door and window control hardware, kitchen and bathroom fittings, glass curtain wall and staircase hardware, smart home products, and precision hardware components. Over years of development, we have built a comprehensive system integrating R&D and design, manufacturing, sales and export, international warehousing, and direct overseas operations, supported by a complete and extensive product supply chain.

Corporate Development:

Our headquarters is located in Fujian, China, while our manufacturing facilities are in Guangdong, China. We are equipped with advanced precision metal processing machinery and a full range of hardware manufacturing equipment, staffed by experienced product designers and production technicians. We operate two warehousing centers in Guangdong Province and one operational warehousing center in Jiangsu Province.

Global Presence:

Our products are exported to over 130 countries worldwide, and we also provide OEM services to global clients.

Sample Service:

If any of our products meet your needs, please feel free to contact us. We would be happy to provide you with samples. We assure you that any inquiries or requests will receive prompt attention.

Overseas Warehousing:

To better serve our global clientele, we are progressively establishing large-scale warehousing centers in key countries, ensuring ample inventory and reliable stock availability to support local sales. If you face challenges such as high sales volume but frequent stockouts, or long order lead times that hinder your market performance, we invite you to partner with us. We can establish a warehousing center in your country to provide sufficient stock and robust systemic support, maximizing your sales potential.

Service with Integrity:

SONLAM has earned high recognition and acclaim from customers worldwide thanks to our exceptional product quality and sincere, trustworthy service. Moving forward, we remain committed to providing convenient and attentive service to our global customers as we strive for even greater success.

SONLAM has obtained full certification for:
ISO 9001:2015 International Quality Management System
GB/T 19001-2016 Chinese Quality Management System

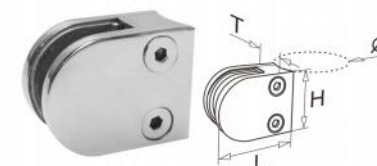

• Material: SS304, SS316 • Finish: satin finish (S), polish finish (P)
